

Horizons Communications Agreement with Bark

I wish to be enrolled in Bark with Horizons Communications. I agree to the Bark monthly charge that is associated with my internet package. I acknowledge and understand that if I am subscribed to the “To The Max” internet package, I will receive Bark free of charge and Bark will appear on my bill with a zero dollar amount due (\$0.00).

I further understand that if I am subscribed to the “Work, Learn, Play” or the “Essentials” internet package, I will be billed monthly for Bark at the price associated with that internet package as it appears in my Broadband agreement.

By signing below, I am enrolling in Bark and hereby agree to Bark’s Terms of Use and Privacy Policies. See links below for Bark’s Term of Use and Privacy Policy.

I also understand and acknowledge that I can only be de-enrolled from Bark by contacting Horizons customer service. Only after unsubscribing from Bark will billing for the Bark service cease.

Please enroll in Bark within 14 days of signing this agreement to avoid any complications you may encounter during initial signup. If you have any questions, please contact us at 806.863.8006
